

**TELANGANA STATE IRRIGATION DEVELOPMENT CORPORATION LIMITED
(A State Government Undertaking)**

Regd.Office:8-2-674/2/B, Road No.13, Banjara Hills, HYDERABAD-500 034

Memo.No. IDC/MD/Tech/Circulars/2016-17/ 75 Dt: 16 -04-2016

Sub:- TSIDC – Usage of Concure (Anti Corrosion Inhibitor Liquid) in all RCC Structures of all works of TSIDC – Instructions issued – Reg.

Ref:- Memo.No. IDC/MD/Tech/Circulars/2015-16/1459, Dt:7-11-2015

//<><><>||

The attention of the Superintending Engineer, Hyderabad Circle and Executive Engineers/Project Engineers of TSIDC is invited to the reference cited where in the Superintending Engineer, Hyderabad Circle and Executive Engineers/Project Engineers of TSIDC have been requested to use " Anti Corrosion Admixture Inhibitor Liquid" in all RCC structures of the New Schemes/works and ongoing works .

Since it is proven that the usage of "Concure – Anti Corrosion Admixture Inhibitor Liquid" prevents corrosion of steel and increases the life and strength of RCC structures (incorporated in Building SSR 2014-15 under S.No.301 and SOR:2015-16 (CIVIL) SI.No.428, Item code: BMT-H.127), the SE,Hyd circle is requested to issue necessary instructions to the field staff and ensure that the Anti Corrosion "Admixture Inhibitor Liquid" is inevitably used in all RCC structures of the New Schemes/works and ongoing works and to make provision for the same in the estimates/data wherever necessary .
